

RESOURCES FOR YOUR PERSONAL LEADERSHIP GROWTH

For over 5 years **weLEAD** has been a major resource for development, advancing the understanding and education of organizational and personal leadership, based on servant leadership principles.

weLEAD offers you and your company:

- Free access to over 300 archived articles on various leadership topics
- Online magazine library that is updated weekly
- Over 65 book reviews of today's leading authors and consultants
- "Leadership Tip of the Month"
- Speakers' bureau offering in-house and public leadership seminars or workshops for any size organization
- Exclusive interviews with respected leadership consultants
- An academic peer-reviewed E-Journal with articles on leadership, systems thinking, learning organizations, and organizational cultures
